## MISSION STATEMENT

The Assyrian Athletic Club of Toronto provides progressive soccer instruction in a safe and positive soccer environment. Our coaching instruction is based on the belief that the best teacher of the game is the game itself. This lays the foundation for exposure to *all* components of the game while promoting intellectual awareness, discipline, and strength of character and professional conduct.

## QUALIFICATIONS

Basil is well known to the community as the Assyrian Chaldean player on the Iraqi National team who participated in the 1986 World Cup finals in Mexico. He arrived in Canada in 1993 and later played for few years before taking the coaching positions for several teams.
